TABLET ACCESSORIES

360° ROTATING FOLIO CASE/STAND FOR iPad® 2

WITH SLEEP MODE MAGNET

The USRobotics 360° Rotating Folio Case and Stand designed specifically for the iPad 2 provides protection on all sides with its form fitting shell and includes a sleep mode magnet to put the iPad 2 to sleep when the folio is closed. The unique rotating design allows use in both portrait and landscape modes using velcro to allow a variety of useful angles for both viewing or typing. Protect your investment with a case that will securely hold the device in place with a hard exterior yet protect the screen with a soft interior while also providing access to all buttons and functions. This stylish case has all the features you want without the huge price tag.

USRobotics®

Protective case at any angle

Excellent Design

- Designed specifically for the iPad 2
- Sleek and professional look, unique style with white stitching
- Cover includes sleep mode magnet

Rotating Built-in Stand

- Unique design allows the iPad 2 to rotate 360° for easy landscape or portrait mode viewing
- Velcro connectors provide flexible angle options
- Use the stand to hold the iPad 2 at a perfect reading and watching angle, perfect for videos and photo slideshows or a lower angle for typing

Protection - Inside and Out

- Custom fit shell securely holds the iPad 2 in place while the hard exterior protects the back
- Shell design provides easy access to all buttons, ports, and camera use
- Soft interior lining protects the front of the device from scratches during transport
- Elastic closure band keeps the folio securely closed
